Dear Sir:

Responding to your letter of May 6th, I do not know anything better in the way of a catalogue giving prices than those published by Guttag Bros., 16 Exchange Place, New York City. Can it be that you have not received or seen one of these? A convenient small form is called by them, "Rare Coins of the United States." and is obtainable for something like 50 cents, if I am correctly informed. I believe that they have others. If this does not give you the information you want, will you please let me hear from you again.

Very truly yours,

Secretary
